

Located in Rochester NY, ALP has been serving the needs of libraries throughout the US and Canada for over 8 years. During this time we have developed solid relationships with thousands of libraries and are adding new ones daily. We owe our success to several things. Customer service is number one, followed by quality products and “affordable” prices.

We are excited to be a part of the Lewis and Clark Library System. At a time of budget cutbacks or fiscal restraints, libraries are seeking ways to save and to do so without sacrificing quality. Why not let Affordable Library Products be your solution. In addition to our standard low prices, L&C member libraries can take advantage of additional discounts which are **10% off the prices listed below**. We have also listed our web site and hope you will come to visit us. We encourage questions at any time. Our hours of operation are Monday through Friday between 8:30 am and 5:00 pm EST.

As an example of our competitive prices, I have listed a small portion of our product line below.

Standard product pricing (w/o discount) – shipping included with all prices listed below

6.5” double-sided tattle tags used in periodicals \$110/box of 1000

6.5” single-sided spine security strips used in books \$110/box of 1000

CD/DVD circular clear adhesive security overlays - one or two security strips *\$70/box of 100

Radio frequency target sensors for books, any size - \$160/roll of 2000 (plain)
