

Lewis and Clark Library System members,

Barnes&Noble.com has teamed up with the Lewis and Clark Library System to bring you savings on your library needs. By making your online purchases through the unique Library URL: www.bn.com/consortium, you will enjoy special features and discounts designed with institutional needs in mind. You must shop through the URL to receive the discount.

To bookmark the www.bn.com/consortium site, click on the "Please click here to bookmark this website" link right on the homepage. **It is the ONLY way to bookmark this special URL so you can return to enjoy the benefits.**

Library Services Benefits:

- You always receive 10% off on top of the lowest online price
- Fast & Free Shipping on orders of \$25 or more
- The largest in-stock inventory of any online bookseller (great for rush orders!)
- Ability to search up to 25 ISBNs at one time
- Deferred Billing Accounts are available
- A dedicated library services account manager to answer your questions
- Easy tax-exempt ordering
- List of bestsellers updated every hour
- Exclusive promotions through out the year
- Listing of recommended Title 1 products

Notes about the program:

- Library Services discount will automatically appear at checkout
- Personal purchases are permitted, too!

Thank you for choosing Barnes & Noble.com Library Services. Please contact me with any questions!
