COMMONCRAFT: EXPLANATIONS IN PLAIN ENGLISH

Are you looking for a common-sense explanation of current technologies that you can share with your staff? Or, are you stumped by all of this Web 2.0 stuff and need a simple explanation of why it matters? Check out the work at [CommonCraft](#). They offer "explanations in plain English" on a variety of topics, but especially emerging social technologies. Check out the [CommonCraft Show](#) to view their latest videos.

NEWSLETTERS AND BLOGS OF NOTE

As a new feature, we will spotlight a newsletter or blog that might be useful to your daily work. If you have a blog or newsletter that you frequent and would like us to highlight, please share it with Amanda McKay at amandamckay@lcls.org.

This week's featured item is the newsletter from the Rome Group, Insights. The Rome Group is based in St. Louis and works with non-profits in a variety of areas, including fundraising and the development of resources. [Click here](#) to subscribe and to view an archive of their recent issues.
